

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

The
FLORIDA BUGGIST

Official Organ of The Florida Entomological Society, Gainesville,
Florida.

PROF. J. R. WATSON.....Editor

DR. E. W. BERGER.....Associate Editor, Acting Business Manager

Issued once every three months. Free to all members of the Society.

Subscription price to those who are not members is \$1.00 per year in advance; 25c per copy.

Those who would like to see the citrus tree fumigation demonstration being conducted in Florida by the Roessler & Hasslacher Chemical Company should address Mr. Walter S. Lenk, San Juan Hotel, Orlando, Fla.

Reports from the Better Fruit Campaign, being conducted jointly by the University Extension Division, the State Plant Board and the U. S. D. A., indicate much interest and good attendance on the part of the growers.

PERSONALS

Mr. E. E. Wehr, a specialist on insect pests of live stock in the Bureau of Entomology, U. S. D. A., who has been in the State for several weeks on extension work, has left for Maryland.

Mr. A. C. Mason, formerly assistant in the Experiment Station and later in the Plant Board, has just been released from the army and has accepted a position with the Bureau of Entomology. He is to be located at Miami where he will take up the study of the insects of subtropical fruits other than citrus.

OBITUARY OF MEMBERS

Mr. John A. Clinger died at Leesburg, Fla., Oct. 22, 1918.

Mr. B. O. Gaston died at Kissimmee, Jan. 17, 1919.

It is with the profoundest regret that we chronicle the death of these two gentlemen. Each filled his place on the force of the Plant Board and in the Society in a manner which showed an active interest in the agricultural welfare of the State. Both were men of high purpose and sterling character.

REPORTS OF MEETINGS

October 28. Professor P. W. Fattig of the Teachers College and Mr. C. M. Berry of Sanford were unanimously elected to membership in the Society.
